NON-MEMBERS	General mailing list	R 0	
DONATION	An opportunity to support our work (Please complete the value in the Total column)	Donation value	

The intention of this document is to invite your contribution through membership, participation, your planting calendar order and a possible donation.

I assume that the base of the word 'contribute' is 'tributary' like the streams flowing into a river in order to increase its volume.

Let's bring together a Growing Movement and potentise this river
